

ARKANSAS PRESS RELEASE

MILESTONE FOR ARKANSAS CONCRETE PRODUCER

Southern Star Concrete, Inc. announced that The Arkansas Department of Labor has awarded them with a **3,000,000 work hours with out a lost time injury** plaque. This is a milestone for which all employees and management are pleased.

Dan Davis, Vice President / General Manager stated that “We have 7 plants in Arkansas and have approximately 130 employees and they have accumulated these work hours since the year 2000. I am very pleased with my employees and management for this accomplishment.”

Bob Bingaman, Safety Manager for Arkansas accepted this prestigious award for 3 million hours of safe work from James Salkeld, Director of The Arkansas Department of Labor.
